Go to the link you want to access.

Hold down the CTRL key and click on the left mouse button when you see the hand appear over the web link.

If the hand does not appear, copy the link and paste it in the Internet Explorer browser.

The links take you to the questions on the ISBE web site.

To access the site directly—in case of updates to the links—go to this link <http://metacat2.com/iltestlinks.html> .

Use the grades as levels (as in a video game). Levels 3, 4, 5, 6, 7, and 8.)

Print-out your scores on any tests you complete and Dr. Montgomery points for each test—regardless of grade or content.

Remember, take the tests as many times as you need to in order to achieve a 90% or higher score. Practice not guessing randomly—think about your answers.

For more practice, go to the Kids College sites.
